

**THANK YOU FOR YOUR ORDER FROM
VET PRODUCTS DIRECT.**

Once your package ships we will send an email with a link to track your order.
Your order summary is below.

In order to ensure we can give you the best possible prices, in some cases we will ship an order in two parcels, sometimes from different locations. For example, if you order a bag of dog food and a grooming brush, we might ship the dog food from one warehouse and the grooming brush from another.

If you've only received part of your order, the rest should arrive shortly, but if you have any questions contact our customer service representatives by online chat, email at help@vetproductsdirect.com or by telephone on 1300 838776.

Thank you for your business.
